

Indxx Website Review - Comments

HOME PAGE

1. The font size of the content is different when opened via the link vs when opened by clicking on the 'Home' button on the bottom of the page.

Normal view via link:

The screenshot shows the Indxx website home page accessed via a direct link. The browser address bar displays 'indxx.in/indxx_new/'. The page features a top navigation bar with several index fund tickers and their performance: 'and Big Data Index' (2255.62, -0.34%), 'Indxx SuperDividend Alternatives Index' (1881.83, 0.20%), 'Indxx Global Health & Wellness Thematic Index' (3107.49, 0.23%), and 'Indxx Global Robotics'. Below this, the page is divided into two main columns: 'NEWS & PRESS RELEASES' and 'ANNOUNCEMENTS'. The 'NEWS & PRESS RELEASES' column has a sub-header 'News' and lists several articles with dates. The 'ANNOUNCEMENTS' column has sub-headers 'Index Notification', 'Index Documents', and 'Calendar', and lists several announcements with dates. At the bottom, there is a 'SELECT CLIENTS' section displaying logos for VarEck, COLUMBIA THREADNEEDLE INVESTMENTS, GLOBAL X, MIGDAL CAPITAL MARKETS, U.S. Global Investors, and LIFE ADVIS. The Windows taskbar at the bottom shows the time as 4:00 PM on 10/5/2018.

Page display when we click the 'Home page' button at the bottom of the website.

The screenshot shows the Indxx website home page accessed via the 'Home page' button. The browser address bar displays 'indxx.in/indxx_new/home/index'. The page layout is identical to the previous screenshot, featuring the same top navigation bar with index fund tickers, 'NEWS & PRESS RELEASES' and 'ANNOUNCEMENTS' sections, and 'SELECT CLIENTS' logos. The Windows taskbar at the bottom shows the time as 4:01 PM on 10/5/2018.

- The index value and the price change for different versions of the same index is being shown in the same name (no mention of PR, TR or NTR). For instance, the INDXX CANNABIS INDEX (refer to the image below) is repeated thrice with different index values. The version name should be mentioned.

The screenshot shows the indxx website with a navigation bar and a table of indices. The table lists four indices, with the first three having the same name 'Indxx Cannabis Index' but different values and price changes. A red box highlights the first three indices.

Index Name	Value	Change (%)
Intelligence Thematic Index	3506.98	+0.34%
Indxx Cannabis Index	2380.03	+3.32%
Indxx Cannabis Index	2334.92	+3.32%
Indxx Cannabis Index	2368.43	+3.3%

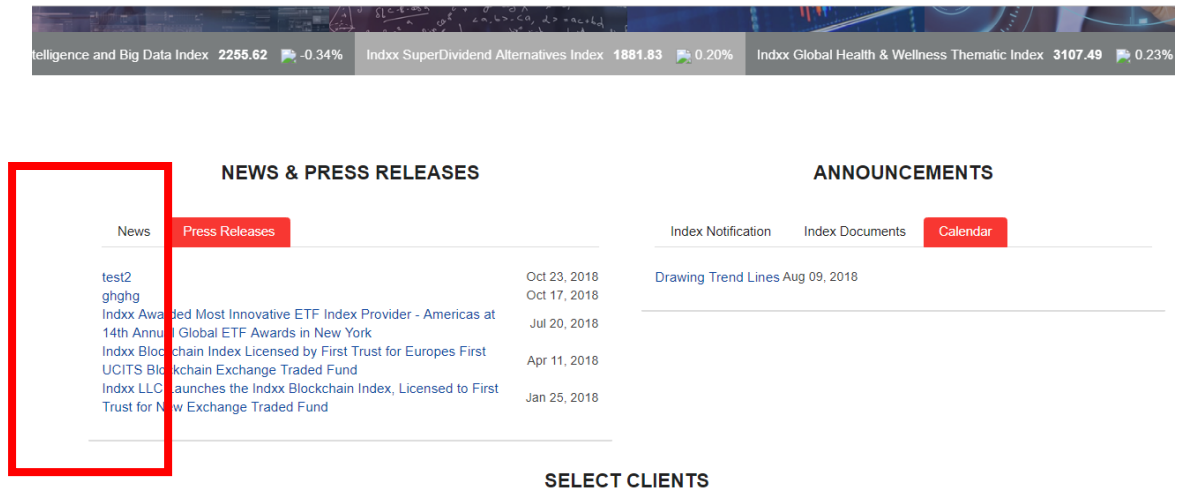

3. News & Press release and Announcements

The alignment of News & Press release and Announcements sections should be same. (Line alignment of the table.)

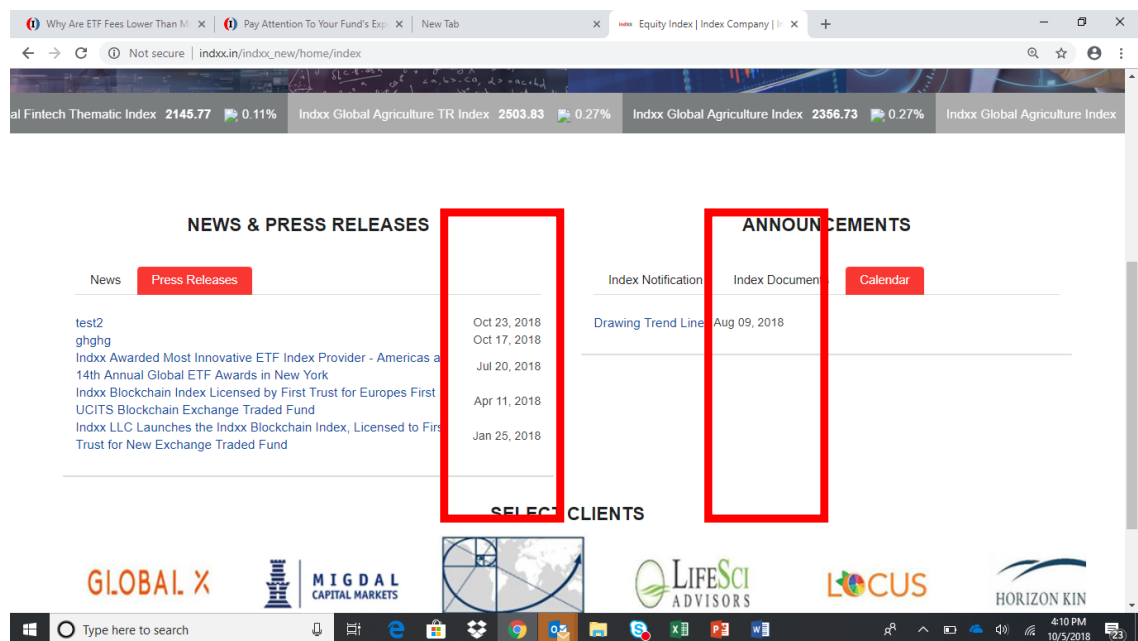

The news in news section is right aligned. While when we see Press Release and Announcements, they are starting from margin itself.

The screenshot shows the indxx website with the 'NEWS & PRESS RELEASES' and 'ANNOUNCEMENTS' sections. The 'NEWS & PRESS RELEASES' section has a red box around the 'News' tab. The 'ANNOUNCEMENTS' section has a red box around the 'Calendar' tab. The 'SELECT CLIENTS' section is visible at the bottom.
